DECISION ON ATTORNEY FEES AND COSTS¹

Gowen, Special Master:

In this case under the National Vaccine Injury Compensation Program,² I issued a Decision on April 14, 2015, dismissing the Petition pursuant to petitioner's motion to dismiss filed on that same day. On May 20, 2015, the parties filed a Stipulation of Fact concerning attorneys' fees and costs. Pursuant to General Order #9, petitioner's counsel also represented that petitioner incurred no out-of-pocket expenses in this matter.

The parties' stipulation indicates that respondent does not object to the amended amount of \$18,850.00 that petitioner is requesting for attorneys' fees and costs.

I find that this petition was brought in good faith and that there existed a reasonable basis for the claim. Therefore, an award for fees and costs is appropriate, pursuant to 42 U.S.C. §§ 300aa-15(b) and (e)(1). Further, the proposed amount seems reasonable and appropriate. **Accordingly, I hereby award:**

- a lump sum of \$18,850.00 in the form of a check payable jointly to**

¹ Because this unpublished decision contains a reasoned explanation for the action in this case, I intend to post this decision on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, § 205, 116 Stat. 2899, 2913 (codified as amended at 44 U.S.C. § 3501 note (2006)). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to delete medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will delete such material from public access.

² The applicable statutory provisions defining the program are found at 42 U.S.C. § 300aa-10 et seq. (2006).

**petitioner and petitioner's attorney, Paul R. Brazil, Esq., for
petitioner's attorneys' fees and costs.**

The clerk of the court shall enter judgment in accordance herewith.³

IT IS SO ORDERED.
